16. **Insurance Requirements.** Unless higher limits are otherwise specified in this Contract, during the Term Contractor shall maintain the below-listed minimum insurance coverages in full force and effect. These coverages may be satisfied through a combination of insurance policies, provided that coverage requirements are met in the aggregate amount. All coverages must be provided by a company or companies licensed to conduct business within the Commonwealth of Virginia.

- a. *Workers' Compensation Insurance.* Workers' Compensation Insurance coverage is required only for employers of three or more employees, to include the employer. Contractors who fail to notify the Jaunt of increases in the number of employees that change their workers' compensation requirements during the Term shall be in noncompliance with the Contract.
- b. *Employer's Liability.* Employer's Liability coverage is required in the amount of \$100,000.
- c. *Commercial General Liability.* Commercial General Liability is required in the amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Commercial General Liability must include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage, and shall not exclude punitive damages.
- d. *Automobile.* Automobile Liability coverage is required in the amount of \$1,000,000 combined single limit only if a motor vehicle not owned by Jaunt is to be used as part of the services provided under the Contract. Automobile liability coverage shall not exclude punitive damages.
- e. *Proof of Insurance.* On or before the Effective Date, and annually thereafter, Contractor will submit certificates evidencing that Contractor has obtained insurance in the coverages and amounts required by this Contract. Jaunt may, at Jaunt's sole option, require Contractor to list Jaunt and/or its elected and appointed officials, agents, and employees as additional insureds by endorsement to the commercial liability and automobile policies. In the event that Contractor receives notice of cancellation for any reason, non-renewal or material change in insurance coverage or limits, Contractor will immediately notify Jaunt. In the event of cancelation of Contractor's insurance for non-payment, Jaunt retains the right, but is not obligated, to pay any premiums and deduct such amounts from any payments due Contractor.

17. **Independent Contractor.** Contractor shall at all times during the Term be an independent contractor of Jaunt. This Contract does not, and shall not be construed to, create any employment relationship, agency, or partnership whatsoever. Neither party has the authority to make any statements, representations, or commitments of any kind nor to take any action binding on the other except to the extent (if any) provided for in this Contract.

18. **No Third-Party Beneficiaries or Obligations.** Nothing in this Contract shall create or be

recognized to create and shall not be construed or interpreted to create any third-party beneficiary. Nothing in this Contract shall obligate, or be construed to obligate or create any expectation, with respect to any third party, including without limitation Jaunt's shareholders.

19. **Assignment.** Unless a subcontractor is expressly identified in Contractor's Proposal, Contractor shall not subcontract to any other person or entity any of the work to be performed under this Contract without Jaunt's permission in writing. Contractor may not assign this Contract, or any portion thereof, to any third party without Jaunt's written permission. Jaunt may assign its rights and obligations under this Contract to any successor to the rights and functions of Jaunt or to any governmental agency to the extent required by applicable laws or governmental regulations, or to the extent Jaunt deems necessary or advisable under the circumstances.
20. **Amendment by Purchase Order or Change Order.** To the extent permitted by applicable laws and regulations, including without limitation Virginia Code § 2.2-4309, Jaunt and Contractor may agree on (i) the purchase of goods or services in addition to those specified in the Proposal or (ii) a reduction to the goods and services purchased hereunder. Such change may be documented in a supplemental change order or purchase order (the "Change Order") signed by both parties, which Change Order shall describe the change to the goods or services to be provided and any changes to the price thereof. Despite the Change Order being a separate document, all terms of this Contract shall apply to any Change Order entered into between Jaunt and Contractor during the Term.
21. **Claims, Administrative Issues, and Appeals.** Jaunt will be solely responsible for the settlement of all contractual and administrative claims by Contractor arising from this Contract. All contractual and administrative claims by Contractor shall be adjudicated using the following procedures:
- a. *Claims Process.*
 - i. Contractor shall give Jaunt written notice of the intention to file a contractual claim at the time of the event or the beginning of the work upon which the claim is based.
 - ii. Contractual claims must be submitted in writing to Jaunt no later than 60 days after final payment.
 - iii. Jaunt and Contractor shall work in good faith to resolve any claim through negotiation between senior-level personnel.
 - iv. Jaunt's Executive Director, or their designee, shall make a written decision addressing the claim within 90 days of submission.
 - b. *Administrative Appeal.*

 - iii. If a hearing is not expressly requested, Jaunt shall render a written decision within 10 days of receiving the Letter of Appeal.
 - iv. If a hearing is requested, the hearing shall be held within 30 days of receipt of the Letter of Appeal. The hearing will be conducted by a disinterested arbiter appointed by Jaunt. The arbiter should be an attorney-at-law. Each party will have the opportunity to present pertinent information during the hearing. The hearing shall be an informal administrative proceeding, rather than a judicial-like trial, but it is nevertheless the appellant's burden to produce evidence sufficient to show that prior decision was erroneous. The hearing shall be recorded and transcribed. A final decision with findings of fact will be issued within 21 days of the hearing.

- c. *Judicial Review.* The process set out in Subsections (a) and (b) is a mandatory pre-requisite to filing any judicial action against Jaunt. After the completion of such process, however, such a judicial action may be filed within 21 days of the issuance of the arbiter's decision and not afterward. Such arbiter's decision shall be presumed correct and shall not be set aside unless (i) it reflects a material legal error, or (ii) it is factually unsupported by the record of the arbiter's hearing. The arbiter is entitled to assess the credibility of all witnesses and such assessments shall not be attacked judicially.
 - d. *Performance During Claims Process.* Unless Contractor has terminated the contract pursuant to an express right of termination provided herein, Contractor shall continue to perform its obligations under this Contract during the pendency of this claims process and any appeal.
22. **Governing Law and Venue.** This Contract shall be governed by Virginia law. Any dispute or procedure arising from or interpreting this Contract, or pertaining to the services or goods sold by Contractor to Jaunt hereunder, shall be heard in the General District or Circuit Courts of Albemarle County, Virginia.
23. **Limitation of Liability.** The amount of Jaunt's liability to Contractor under this Contract is limited to the portion of the Price to be paid hereunder during the one calendar year immediately preceding the event giving risk to any such liability. In no event shall Jaunt be liable to Contractor for consequential damages, economic damages, loss of business, incidental damages, punitive damages, or any other type of damages whatsoever other than payment of the Price.
24. **Attorney's Fees.** In the event that Jaunt prevails in an action against Contractor for breach of this Contract or to enforce this Contract, Jaunt shall be entitled to recover its reasonable attorney's fees expended in such action.
25. **Construction of Contract.** No rule of construction about the drafter of this Contract shall be used to construe or interpret any provision of aspect of this Contract. Captions used in this Contract are solely for convenience and are not to be used for applying, construing or interpreting this Contract.
26. **Waiver.** The waiver or approval by either party of or under any term or condition of this Contract at any time shall not be deemed a waiver or approval unless provided in writing by an authorized representative of the waiving or approving party. No waiver or approval given shall be deemed to apply to such term or condition as to any other matter or aspect or for any subsequently required waiver or approval. A waiver of any failure to perform under this Contract shall neither be construed as nor constitute a waiver of any subsequent failure.
27. **Entire Agreement; Amendment.** This Contract, together with any Change Orders, is the entire agreement between Contractor and Jaunt concerning the subject matter hereof. Any amendment to this Contract must be in writing and signed by both parties.

In witness hereof, the parties have executed this Contract, intending to be bound hereby.

If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient’s religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender sexual orientation, gender identity, or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

In every contract over \$10,000 the provisions in 1. And 2. Below apply:

- i. During the performance of this contract, the contractor agrees as follows:
- ii. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- iii. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
- iv. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
- v. If the contractor employs more than five employees, the contractor shall (i) provide annual training on the contractor’s sexual harassment policy to all supervisors and employees providing services in the Commonwealth, except such supervisors or employees that are required to complete sexual harassment training provided by the Department of Human Resource Management, and (ii) post the contractor’s sexual harassment policy in (a) a conspicuous public place in each building located in the Commonwealth that the contractor owns or leases for business purposes and (b) the contractor’s employee handbook.
- vi. The requirements of these provisions 1. And 2. Are a material part of the contract. If the Contractor violates one of these provisions, the Commonwealth may terminate the affected part of this contract for breach, or at its option, the whole contract. Violation of one of these provisions may also result in debarment from State contracting regardless of whether the specific contract is terminated.

- f. In accordance with Executive Order 61 (2017), a prohibition on discrimination by the contractor, in its employment practices, subcontracting practices, and delivery of goods or services, on the basis of race, sex, color, national origin, religion, sexual orientation, gender identity, age, political affiliation, disability, or veteran status, is hereby incorporated in this contract.
2. The contractor will include the provisions of 1. Above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

ETHICS IN PUBLIC CONTRACTING: By submitting their (bids/proposals), (bidders/offerors) certify that their (bids/proposals) are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other (bidder/offeror), supplier, manufacturer or subcontractor in connection with their (bid/proposal), and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

IMMIGRATION REFORM AND CONTROL ACT OF 1986: Applicable for all contracts over \$10,000:

By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

DEBARMENT STATUS: By participating in this procurement, the vendor certifies that they are not currently debarred by the Commonwealth of Virginia from submitting a response for the type of goods and/or services covered by this solicitation. Vendor further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia.

If a vendor is created or used for the purpose of circumventing a debarment decision against another vendor, the non-debarred vendor will be debarred for the same time period as the debarred vendor.

ANTITRUST: By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs

Failure to submit a bid on the official state form provided for that purpose shall be a cause for rejection of the bid. Modification of or additions to any portion of the Invitation for Bids may be cause for rejection of the bid; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a bid as nonresponsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the bidder withdraw or modify nonresponsive portions of a bid which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the contract shall be effective unless reduced to writing and signed by the parties.

QUALIFICATIONS OF (BIDDERS/OFFERORS): The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the (bidder/offeror) to perform the services/furnish the goods and the (bidder/offeror) shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect (bidder's/offeror's) physical facilities prior to award to satisfy questions regarding the (bidder's/offeror's) capabilities. The Commonwealth further reserves the right to reject any (bid/proposal) if the evidence submitted by, or investigations of, such (bidder/offeror) fails to satisfy the Commonwealth that such (bidder/offeror) is properly qualified to carry out the obligations of the contract and to provide the services

and/or furnish the goods contemplated therein.

DEFAULT: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may terminate this contract and procure all goods and/or services contracted for, from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.

USE OF BRAND NAMES: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict (bidders/offerors) to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The (bidder/offeror) is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the (bidder/offeror) clearly indicates in its (bid/proposal) that the product offered is an equivalent product, such (bid/proposal) will be considered to offer the brand name product referenced in the solicitation.

DRUG-FREE WORKPLACE: Applicable for all contracts over \$10,000:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

NONDISCRIMINATION OF CONTRACTORS: A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

AUTHORIZATION TO CONDUCT BUSINESS IN THE COMMONWEALTH: A contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the *Code of Virginia* or as otherwise required by law. Any business entity described above that enters into a contract with a public body pursuant to the *Virginia Public Procurement Act* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required

under Title 13.1 or Title 50, to be revoked or cancelled at any time during the term of the contract. A public body may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

AUDIT: The contractor shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.

AWARD TO MULTIPLE BIDDERS: Jaunt reserves the right to make multiple awards as a result of this solicitation. The award(s) will be made to the lowest responsive and responsible bidder(s) meeting the requirements of the solicitation. Jaunt reserves the right to conduct any tests it may deem advisable and to make all evaluations. Jaunt also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the procuring public body to be in its best interest.

The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Agency's Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. Agency has a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, all such data, drawings, specifications, reports, estimates, summaries, and other information and materials.

If the termination is for the convenience of the Agency, the Agency's Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If the termination is for failure of the Contractor to fulfill the contract obligations, the Agency may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by the Agency. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Agency.

Termination for Convenience or Default (Cost-Type Contracts)

The Agency may terminate this contract, or any portion of it, by serving a Notice of Termination on the Contractor. The notice shall state whether the termination is for convenience of Agency or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the Contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from the Agency, or property supplied to the Contractor by the Agency. If the termination is for default, the Agency may fix the fee, if the contract provides for a fee, to be paid the Contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to the Agency and the parties shall negotiate the termination settlement to be paid the Contractor.

If the termination is for the convenience of Agency, the Contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.

If, after serving a Notice of Termination for Default, the Agency determines that the Contractor has an excusable reason for not performing, the Agency, after setting up a new work schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

TRAFFICKING IN PERSONS

- (b) Procure a commercial sex act during the period of time that the Recipient's Award is in effect; or
- (c) Use forced labor in the performance of the Recipient's Award or subagreements thereunder.
