

**ADDENDUM # 1 TO ALL BIDDERS**

Issued: May 24, 2024

Reference – Request For Proposal: **RFP # 65924**

Title: General Architectural/Engineering Consultant Services  
Term Contract in Support of Jaunt Transit Projects

Issued: May 6, 2024

Issuing Agency and Address: Jaunt, Inc.  
104 Keystone Place  
Charlottesville, VA 22902

Proposals Due: June 7 @ 1:00 p.m. Eastern Time

The following question(s) were received for the referenced Request for Proposal (RFP):

	Questions	Answers
1	Included in the Scope of Services, B. Construction Administration Services, are site visits reports on "tracks, signals, structures, crash walls". Do you anticipate this type of work being designed under this term contract or are these existing features that need specific monitoring during construction?	We don't expect to have this type of work under this contract.
2	Included in the Scope of Services, A. Design Services, is the development of design documents for buildings. Do you anticipate any new buildings or major renovations of existing buildings to be included in this term contract?	We don't foresee any new buildings or major renovations.

**End of Addendum #1**

**All other terms and conditions must remain the same.**
